In compliance with Section 38(2) of the Companies and Allied Matters Act of Nigeria, the Company did not make any donation or gift to any political party, political association or for any political purpose during the period.

In addition to the above mentioned donations, the Company continued with its strong focus on creating shared values initiatives. Nestlé Nigeria invested in technical and employability skills building for youth and in building the capacity of farmers to increase their productivity and income. The Company also worked alongside partners to improve the household nutrition of local farmers through trainings in grain quality improvement and food transformation/preservation techniques

^{**} We hereby confirm that the free float of the Company is in compliance with The Nigerian Stock Exchange's free float requirements of the Main Board on which Nestle Nigeria Plc is listed

8 Nestlé Nigeria Trust (CPFA) Limited ("NNTL")

Nestlé Nigeria Trust (CPFA) Limited ('NNTL') previously called Nestlé Nigeria Provident Fund Limited, was incorporated by the Company and is a duly registered Closed Pension Fund Administrator whose sole activity is the administration of the pension and defined contribution gratuity scheme for employees of Nestlé Nigeria Plc.

9 Local Sourcing of Raw Materials

On a continuing basis, the Company explores the use of local raw materials in its production processes and has successfully introduced the use of locally produced items such as soya bean, maize, cocoa, palm olein and sorghum in a number of its products.

10 Major Distributors

The Company's products are distributed through various distributors that are spread across the whole country.

11 Suppliers

The Company procures all of its raw materials on a commercial basis from overseas and local suppliers. Amongst the overseas suppliers are companies in the Nestlé Group.

12 General Licence Agreement

The Company has a general licence agreement with Societe des Produits Nestlé S.A., Nestec S.A. and Nestlé S.A., all based in Switzerland. Under the agreement, technological, scientific and professional assistance are provided for the manufacture, marketing, quality control and packaging of the Company's products, development of new products and training of personnel abroad. Access is also provided to the use of patents, brands, inventions and know-how.

The Company obtained the approval of the National Office for Technology Acquisition and Promotion (NOTAP) with certificate No. CR 006577 for the remittance of General Licence Fees to Societe des Produits Nestlé S.A., Nestec S.A. and Nestlé S.A. The approval is for a period of three (3) years with effect from 1st January 2018 to 31st December 2020. The Company has applied to NOTAP for the renewal of the general licence for the period 1st January 2021 to 31st December 2023.

13 Acquisition of Own Shares

The Company did not purchase any of its own shares during the period.

14 Employment and Employees

(a) Employment of physically challenged persons:

It is the policy of the Company that there is no discrimination in considering applications for employment including those of physically challenged persons. The Company had 15 (2020: 17) physically challenged persons in its employment as at 30 June 2021.

All employees whether physically challenged or not are given equal opportunities to develop their expertise and knowledge and qualify for promotion in furtherance of their careers. In the event of members of staff becoming physically challenged, every effort is made to ensure that their employment with the Company continues and that appropriate training is arranged. It is the policy of the Company that training, career development and promotion of physically challenged persons should, as far as possible, be identical with that of other employees.

(b) Health and safety at work and welfare of employees:

The Company invests its resources to ensure that hygiene on its premises is of the highest standard. In this regard, the Company has, on three occasions, won the Manufacturers' Association of Nigeria's award for the best kept factory and on three occasions won the Federal Environmental Protection Agency's environmental performance award as the most environment-friendly company in Nigeria.

The Company operates its own clinics which provide quick health care to its employees. In pursuit of efforts to improve health infrastructure and enhance the quality of care for the employees, the company has built a new ultra modern clinic at Agbara factory. The new clinic which is fully equipped with state-of-the-art medical facilities consists of three consulting rooms, one pharmacy, one laboratory and two observation rooms, amongst others.

The modernization of the medical facilities by the Company is in line with Nestlé Corporate Business principles of promoting safe and healthy work environment for the employee.

The Company caters for the recreational needs of its employees by providing them with a wellness center and other games facilities such as Table Tennis, Draughts, etc. Lunch is provided free to staff in the Company's canteen.

(c) Employees involvement and training:

The Company places considerable value on the involvement of its employees and has continued the practice of keeping them informed on matters affecting them as employees and on various factors affecting the performance of the Company. Employee representatives are consulted regularly on a wide range of matters affecting their current and future interests.

Circulars and newsletters on significant corporate issues are published. Regular briefing sessions are also held at corporate and operational levels to enhance exchange of information.

Management, professional and technical expertise are the Company's major assets. The Company continues to invest in developing such skills. The Company has in-house training facilities, complemented, when and where necessary, with external and overseas training for its employees. This has broadened opportunities for career development within the organisation.

In addition, we have graduated five(5) sets of technical students from Nestle Technical Training Center (NTTC) in Agbara and Abaji factories. The multi-skill engineering training runs for a period of 18 months. The total number of those who have so far completed the programme till date is seventy-nine (79). The cost of the training was fully paid by our Company. The success of the NTCC in our Agbara factory has spurred us on to replicate and adapt the NTCC model in our Nestle Waters factory in Abaji.

The content of the course was based on the syllabus of City and Guilds of London Technicians Examinations Certificates in Engineering, one of the world's leading vocational education organizations. To empower the trainees with relevant skills, the top five (5) students in the scheme were taken to Switzerland for further training within the Group's factories. In order to reduce unemployment, a total of sixty-eight (68) graduates made up of eight (8) of the thirteen (13) graduates from the first batch, thirteen (13) graduates from the second batch, all the twenty (20) graduates from the third batch and a total of twenty-seven graduates (27) from the fourth and fifth batches were given employment by our Company. The other eleven (11) graduates are in full time employment with other organizations.

The sixth batch of twenty students in Agbara factory comprising ten (10) males and ten (10) females and seventh batch of twenty students in Abaji factory comprising of 16 males and 4 females were admitted into the training school in July 2019 and January 2020 respectively, for another 18 months programme. The sixth batch of twenty students in Agbara factory completed the 18-months program in February 2021 and recorded outstanding results despite the impact of COVID-19. The best graduating trainee had 22 distinctions from City and Guild examinations from level 3 to 5. Other good news is that all the trainees have been employed by the Company as part of its commitment to youth development and economic empowerment.

15 Nomination, Governance and Remuneration Committee

Composition of Board Committees

17 Board Audit and Risk Management Committee

The Committee is to assist the Board in its oversight of audit, risk profile, risk management framework and the risk reward strategy. The Committee is to carry out periodic review of changes in the economic and business environment, including emerging trends and other factors relevant to the Company's risk profile. The members of the Committee are Mr. Oyebode, Mr. Chavez and Ms. Juliet Ehimuan.

18 Effectiveness of Internal Control System

The Board is responsible for maintaining a sound system of internal control to safeguard shareholders' investment and the assets of the Company. The system of internal control is to provide reasonable assurance against material misstatement, prevent and detect fraud and other irregularities.

There is an effective internal control and audit function within the Company which gives reasonable assurance against any material misstatement or loss. The responsibilities include oversight functions of internal audit and control risk assessment and compliance, continuity and contingency planning, and formalisation and improvement of the Company's business processes.

19 Disclosures

a) Risk Management and Compliance System

The directors are responsible for the total process of risk management as well as expressing their opinion on the effectiveness of the process. The risk management framework is integrated into the day-to-day operations of the business and provides guidelines and standards for administering the acceptance and on-going management of key risks such as operational, reputational, financial, market, technology and compliance risk. The directors are of the view that effective internal audit function exists in the Company and that risk management control and compliance system are operating efficiently and effectively in all respects.

The Company has a structured Risk Management process in place and undertakes at least annually a thorough Risk Assessment covering all aspects of the business. The Risk Assessment is based on the two criteria "Business Impact" and "Likelihood of Occurrence". For every identified Business risk, mitigating measures are implemented by the Company.

b) Sustainability Initiatives

The Company pays adequate attention to the interest of its stakeholders such as its employees, host community, the consumers and the general public. Also, the Company is sensitive to Nigerian's social and cultural diversity and promotes as much as possible national interests as well as national ethos and values without compromising global aspirations where applicable. The Company has a culture of integrity and zero tolerance to corruption and corrupt practices.

c) Related Party Transactions

The Company has contractual relationship with related companies in the ordinary course of business. In addition, the Company (and other operating companies of Nestlé in Central and West Africa) executed a Shared Services Agreement with Nestlé Central and West Africa Limited. The purpose of the agreement is to ensure the provision of common operational shared services to all members of the Nestlé Group of companies operating within the Central and West Africa Region, which each member company had previously provided to itself on standalone basis with the attendant duplication of functions, resources and costs. The allocation of the costs to each company is based on Artivity Based Costing

Notes to the financial statements

1 Reporting entity

Nestlé Nigeria Plc ("the Company") is a Company domiciled in Nigeria. The address of the Company's registered office is at 22-24, Industrial Avenue, Ilupeju, Lagos. The Company is listed on the Nigerian Stock Exchange.

The principal activities of the Company continue to be the manufacturing, marketing and distribution of food products including purified water throughout the country. The Company also exports some of its products to other countries within and outside Africa.

2 Basis of accounting

(a) Basis of preparation

The interim condensed financial statements for the period ended 30 June 2021 have been prepared in accordance with IAS 34 Interim Financial Reporting.

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Company's annual financial statements as at 31 December 2020.

(b) Basis of measurement

The financial statements have been prepared on historical cost basis except for the

- Liabilities for equity-settled share-based payment arrangements
- The present value of the defined benefit obligation relating to long service awards
- Inventory at lower of cost and net realisable value

(c) Functional and presentation currency

These financial statements are presented in Naira, which is the Company's functional currency. All financial information presented in Naira has been rounded to the nearest thousand except where otherwise indicated.

3 Significant accounting policies

The accounting policies adopted in the preparation of the interim financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended 31 December 2020, except for the adoption of new standards effective as of 1 January 2021. The Company has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

Notes to the financial statements

4 Operating segments

(a) Basis of segmentation

The Company has two reportable segments, as described below, which are the Company's strategic business units. The strategic business units offer different products and services, and are managed separately because they require different technology and marketing strategies. For each of the strategic business units, the Company's Board of Directors (BOD) review internal management reports on a quarterly basis. The following summary describes the operations in each of the Company's reportable segments:

Segment Description

Food

This includes the production and sale of Maggi, Cerelac, Nan, Lactogen and Golden Morn.

Beverages

This includes the production and sale of Milo, Chocomilo, Nescafe, Milo ready-to-drink (RTD) and Nestlé Pure

The accounting policies of the reportable segments are the same as described in Notes 3.

Information regarding the results of each reportable segment is included below. Performance is measured based on segment profit before income tax, as included in the internal management reports that are reviewed by the Company's Board of Directors. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.
